noastre dragi, Adriana  
Rotaru !**

**Dear Adriana`s family,**

I send my deepest condolences to all of you. You have lost Adriana – a very dear person who has always regarded you with love and devotion.

Adriana was a very special person – also for us in Denmark. Adriana has visited us on several occasions and I have had the pleasure to host her when she visited us in Herning. We valued her highly for all her great human qualities, for her friendship and devotion to us.

She has been our dear friend since our first visit to Romania. She was always there to help us when we needed. Together we founded Soroptimism in Romania.

Adriana understood fully the values of Soroptimism and she has fulfilled the values ever since.

Adriana has done a remarkably work for Soroptimism in Romania and the loss of her is great for all Romanian soroptimists.

I had the opportunity to visit Adriana on the 15th of September this year. This visit means a lot to me and I shall keep it as a very dear memory.

I shall always remember Adriana with love and devotion.

My warmest greetings to all in Adriana`s family.

**Draga familie a Adrianei,**

Va trimit condoleantele mele sincere. Ati pierdut-o pe Adriana- o persoana foarte draga care a avut totdeauna pentru voi multa dragoste si mult devotement.

Adriana a fost o persoana foarte speciala-si pentru noi in Danemarca. Adriana ne-a vizitat in mai multe randuri si am avut placerea sa o gazduiesc cand ne-a vizitat la Herning. Am pretuit-o mult pentru calitatile sale umane, pentru prietenia ei si pentru devotamentul fata de noi.

Ne-a fost prietena de la prima vizita in Romania. A fost totdeauna acolo sa ne ajute cand aveam nevoie. Impreuna am pus bazele Soroptimismului in Romania.

Adriana a inteles profund valorile Soroptimismului si le-a urmat inca de atunci.

Adriana a activat remarcabil pentru Soroptimismul din Romania si pierderea ei este mare pentru toate Soroptimistele din Romania. Am avut ocazia sa o vizitez pe Adriana in data de 15 septembrie anul acesta. Aceasta vizita a insemnat mult pentru mine si o voi pastra cu drag in amintire.

Imi voi aduce totdeauna aminte de Adriana cu drag si devotiune.

Trimit salutarile mele cele mai calde tuturor celor din familia Adrianei

**Honor to the Memory of Adriana Rotaru!**

It is a great loss for Adriana`s family and friends, that she has passed away. All our thanks and good thoughts go to her family and the soroptimists in Romania.

I met Adriana in the beginning of the nineties, where Danish soroptimists started to form a soroptimist club in Craiova.

**In onoarea memoriei Adrianei Rotaru**

Trecerea Adrianei in nefiinta este o mare pierdere pentru familia si prietenii ei. Toate multumirile si gandurile bune pentru familia ei si pentru soroptimistele din Romania.

Am intalnit-o pe Adriana la inceputul anilor nouazeci, cand soroptimistele daneze au inceput formarea clubului soroptimist la

<p>Adriana attended all meetings and showed big interest in the network of active and independent women, that Soroptimist International could offer, which was something new in Romania at that time.</p> <p>Adriana was observing and analyzing, and her words and input showed that she was a real Soroptimist in her mind, with deep respect for the soroptimist values about human rights for all, peace, friendship and international goodwill and understanding.</p> <p>She became a founding member of the Craiova club. Her charisma and personality has raised the spirit and the activities of SI Craiova. She was loyal and friendly to all, and especially I remember her project: “A Chance for Everyone”, where she through her work had met 10 young girls with tragic childhood and background. The soroptimists “took them under their wings” and all 10 girls managed to fulfill their education. Adriana was a real model for them, and they appreciated very much the support, that she and other soroptimists offered them.</p> <p>She served at different offices in Soroptimist International, such as Club President, Union President and Governor, and with her fine personality and humor she was an excellent ambassador for Soroptimist International.</p> <p>Danish soroptimists miss Adriana and remember her as a good friend and a noble soroptimist.</p> <p>God bless her soul!</p> <p><b>Hanne Jensbo</b> International President of Soroptimist International 2009-2011 26 october 2019</p>	<p>Craiova. Adriana a participat la intalniri si a aratat interes pentru aceasta retea de femei active si independente, pe care Soroptimismul International putea sa o ofere, ceea ce era un lucru nou in Romania acelor vremuri.</p> <p>Adriana a observat si a analizat acest lucru, iar vorbele si atitudinea ei au aratat ca era o Soroptimista adevarata, cu respect profund pentru valorile soroptimiste referitoare la drepturile omului, pace, prietenie si intelegere si bunavointa internationala.</p> <p>A devenit membru fondator al Clubului din Craiova. Carisma si personalitatea ei au imbogatit spiritual si activitatile Clubului din Craiova. A fost loiala si prietenoasa cu toti si imi aduc aminte in special de proiectul “O sansa pentru fiecare” in care au fost implicate 10 fete cu o copilarie nefericita. Soroptimistele “le-au luat sub aripa lor” si toate cele 10 fete si-au desavarsit educatia. Adriana a fost un model real pentru ele, la randul lor fetele au apreciat foarte mult ajutorul pe care ea si alte soroptimiste l-au oferit.</p> <p>A ocupat diferite pozitii in organizatia Soroptimist International, a fost presedinta a Clubului, presedinta a Uniunii si Guvernatoare, a avut o personalitate fina si umor si a fost un ambassador al Sorotimismului International.</p> <p>Soroptimismul danez simte lipsa Adrianei si isi aduce aminte de ea ca de o buna si nobila prietena.</p> <p>Dumnezeu sa o binecuvanteze!</p> <p><b>Hanne Jensbo</b> International President of Soroptimist International 2009-2011 26 octombrie 2019</p>
<p>I remember Adriana from the first time, I visited Craiova in 1992. In my head I have a clear picture of Adriana from chartering of Craiova Soroptimistclub, which took place in Hotel Minerva. She was a lovely person with much radiation.</p> <p>Every time I since then visited Craiova, I met Adriana and she was in Denmark many times, where I also met her. She was in Denmark in april 2019 together with Laura. Then I had the pleasure to pick them up</p>	<p>Imi amintesc de Adriana din primul moment, cand am vizitat Craiova in 1992. O am clar in minte pe Adriana la infiintarea Clubului Soroptimist Craiova, care a avut loc la Hotelul Minerva. I and a couple other soroptimists spent some hours together with Adriana and Laura and brought them to Gerda's house in Herning.</p> <p>In 2018 at the celebration of 20 years anniversary in Soroptimistclub Craiova, I saw Adriana in "job" situation with young people where she showed big natural authority, she was calm and strong.</p> <p>Once when we had one of our bus tours to Romania, we visited Adrianas parents house in Cluj. They showed all big hospitality. We got wine and fruit and I got a little piece of a red geranium, which grewed in my home many years . I do'nt have it now.</p> <p>I know, It's the house, where Ruxandra and her family lives now. When our Romanian group arranged a Youth Camp, I was one of the hostes and remember Ruxandra from that time.</p> <p>I have a little piece of jewellery, that was a gift from Adriana and I will always think of her when I use it and will remember her as a dear and lovely friend.</p> <p>It is hard to understand, she is not here anymore. It is a big loss for the Soroptimists in Craiova and the whole Romania and for us in Denmark who knew her.</p> <p>With love and many warm thoughts!</p> <p><b>Irma Andersen</b>, Skanderborg. Impreuna cu alte soroptimiste am petrecut ore minunate cu Adriana si Laura in casa Gerdei, la Herning.</p> <p>In 2018, la celebrarea celei de-a 20-a aniversari a Clubului de la Craiova, am vazut-o pe Adriana "la lucru" cu tineri fata de care avea o autoritate naturala, era calma si puternica.</p> <p>Atunci cand am facut un tur al Romaniei in autocar am vizitat casa parintilor Adrianei la Cluj. Toti au fost foarte ospitalieri. Am avut vin si fructe si eu am primit o muscata rosie care a crescut mult timp acasa la mine. Nu o mai am acum.</p> <p>Din cate stiu, este casa in care locuieste acum Ruxandra si familia ei. Cand Grupul nostru pentru Romania a organizat o tabara pentru tineret, am fost una dintre gazde si imi amintesc de Ruxandra acelor vremuri.</p> <p>Am o mica bijuterie, cadou de la Adriana, ma voi gandi totdeauna la ea cand o voi folosi si imi voi aminti de ea ca o prietena draga si adorabila.</p> <p>E greu sa intelegi, ea nu mai este aici. E o mare pierdere pentru Soroptimistele din Craiova si din toata Romania, ca si pentru noi, cele din Danemarca ce am cunoscut-o.</p> <p>Cu dragoste si ganduri bune!</p> <p><b>Irma Andersen</b>, Skanderborg. <p>I first met Adriana in 2017 when she was President of the Soroptimist Union of Romania. She came to Denmark as a guest of the Danish Soroptimist Union and again in March 2019. On both occasions she and Laura Chitu stayed at my house and we had many good talks about Soroptimism, the situations in our respective countries as well as more personal topics.</p> <p>I got to know and love Adriana for her beautiful personality, for her dedication to Soroptimism and her compassion for less fortunate people in society. She was very knowledgeable and hard working and always ready to share her knowledge, experiences and thoughts with others. Through her work and through her involvement in many Soroptimist projects she made a difference to many peoples lives.</p> <p>Adriana was the initiator and coordinator of the project 'Teenage Mothers' which the Romanian and Danish Soroptimist Unions share. As coordinator of the project in Denmark I communicated regularly with Adriana and she conscientiously passed on all the relevant information for the Danish Soroptimists which made it possible to find funding for the project in Denmark. Even when she became very ill she made sure that the project was in good hands, and that it will continue</p>	<p>Am intalnit-o prima data pe Adriana in 2017, cand era Presedinta a Uniunii Soroptimiste din Romania, cand a venit in Danemarca fiind oaspete al Uniunii Daneze, si in martie 2019. Era foarte pricepută și muncitoare și era mereu gata să-și împărtășească cunoștințele, experiențele și gândurile cu ceilalți. first time in the apartment of Adriana in September 2010.

In October 2010 I planned to run my first marathon in Amsterdam and I wanted to get sponsoring this for a beneficial goal. I didn't have to think long about the goal, because I had met children in the practices of the family doctors in Craiova who were very lonely. Moreover, I saw a documentary on Dutch television which showed that a lot of these Romanian children were depressed and even committed suicide at young age.

So I decided to start a project for the children in Craiova and I was looking for soroptimists to support this and to carry it out, because I was not able to do this.

I was very fortunate with the enthusiasm of Adriana and Sabina who discussed it in the soroptimist club and a few months they already succeeded to start the project, the first group started in February 2011.

I was very happy with this nice collaboration between soroptimists of different countries.

Adriana was one of the driving forces behind the project, with Sabina, Dana and many other soroptimists.

ne-am intalnit pentru prima data in apartamentul Adrianei in septembrie 2010.

În octombrie 2010 am planuit să alerg la primul meu maraton la Amsterdam și am vrut să obțin sponsorizări pentru un scop benefic. Nu a trebuit să mă gândesc mult la obiectiv, pentru că am întâlnit în practicile medicilor de familie din Craiova copii care erau foarte singuratici. Mai mult, am văzut un documentar la televiziunea olandeză care arăta că mulți dintre acești copii români erau deprimați și chiar s-au sinucis la vârste fragede.

Așa că am decis să încep un proiect pentru copiii din Craiova și am căutat soroptimiste care să susțină acest lucru și să-l realizeze, pentru că nu as fi putut să fac acest lucru.

Am fost foarte norocoasă pentru că Adriana și Sabina au fost foarte entuziaste, au discutat în clubul soroptimist și câteva luni au reușit deja să înceapă proiectul, primul grup a început în februarie 2011.

Am fost foarte mulțumită de această colaborare bună între soroptimiste din diferite țări.

Adriana a fost una dintre forțele motrice ale proiectului, cu Sabina, Dana și multe alte soroptimiste.

În fiecare după-amiază a săptămânii, zece copii cu nevoi speciale

Every afternoon of the week, ten children with special needs get food, help with their homework and much love and attention of their wonderful teachers.

The soroptimists visited the children regularly and celebrated Santa Claus, Easter and other occasions with them, providing with them with love and gifts. The children and soroptimists also organized a sponsor run themselves. I was very proud of everybody!

Adriana got very busy with work for soroptimism in Romania and with the care of her grandchildren far away from home. But she kept in touch.

The last time I saw her was with the 25<sup>th</sup> celebration of club Craiova.

It is very sad that such a wonderful woman passed away.

I have deep respect for everything she did. When the world was full of people like Adriana it would be a much better place.

primesc mâncare, iar profesori minunati ii ajuta cu multa dragoste si atentie la efectuarea temelor.

Soroptimistele i-au vizitat regulat pe copii și l-au sărbătorit pe Moș Crăciun, Paștele, oferindu-le dragoste și daruri.

Copiii și soroptimistele au organizat și ei un concurs de alergare sponsorizat. Am fost foarte mandra de toti!

Adriana s-a ocupat foarte mult cu munca pentru soroptimism în România și cu grija nepoților ei departe de casă. Dar au fost in contact.

Ultima dată când am văzut-o a fost cu cea de a 25-a sărbătoare a clubului Craiova. Este foarte trist ca o femeie asa de minunata ne-a parasit.

Am un profund respect pentru tot ce a făcut. Când lumea va fi plină de oameni ca Adriana, va fi un loc mult mai bun.

How nice it would be if the people who left far away, to the stars, would return in the spring time like flowers or traveling birds. Then we could confess that we missed them, that we could not tell them how important their friendship was to us, that from now Balcic is no longer the same. When the rain of November mixes our splashes with our tears, we think of you, Adriana.

Ce frumos ar fi daca oamenii plecati departe, la stele, ar reveni primavara precum florile sau pasarile calatoare. Atunci am putea sa le marturisim ca ne-a fost dor de ei, ca n-am apucat sa le spunem cat de importanta pentru noi a fost prietenia lor, ca de acum inainte Balcicul nu mai e la fel. Cand ploaia de noiembrie isi amesteca stropii cu lacrimile noastre, ne gandim la tine, Adriana.

In memoriam Adriana

One more star has fallen! Luminously and yet dramatically she has departed from the sky of our own existence, she has left our own corner of space and time so that she could join those who – from some time ago on – are keeping on and on in their intention to depart from us, leaving us thereby here always less and more weakened in our

A mai căzut o stea! S-a desprins luminos și totuși dramatic de pe cerul existenței noastre, a părăsit colțul nostru de spațiu și timp și a plecat să se alăture celor care, de la o vreme, se duc și se tot duc și ne lasă pe noi aici tot mai împuținați, tot mai săraci.

hopes.

Our dearest ADRIANA has left for the peaceful realm and she has taken with herself all of the hypostases through which her noble and generous soul has spread itself in an indefatigable and vivid burning. Adriana as a mother, Adriana as a wife, Adriana as a grandmother, Adriana as a friend, Adriana as a soroptimistic has left along with many other hypostases which are only known by God the Almighty for the true extent, value and virtue through which they have been fulfilled throughout an exemplary human life.

More than anything else Adriana loved discretion, this kind of common sense which is an intrinsic asset for the greatly stylish persons only which are indeed aware of the fact that nothing does ever elevate us higher than our own humanity and kindness. I have always understood the relationship between us as a gift which had come from beyond our own beings, it was a concealed warmth that was not what we do usually understand by the word of "friendship". We were carrying on with our lives upon parallel paths, with no willful sharing of them and therefore with no knowledge of reciprocal details at all. Our silence could have lasted for long periods of time yet none of us two had ever lived it as avoidance. But it was enough for Adriana to send me a signal - "I need you!" – and my soul was immediately answering "I am here!" This "need of me" was not a need for some effective hand lent but instead it was only a call for being "together", perhaps a need of melting inside of my own steadiness the passion with which she was usually involving herself into the spreading of goodness and to which obviously when left on her own she could impose no limits at all. We were telling to each other no sullenly sounding words. It only took a few simple, essential words and the solutions of the occurred problems were appearing rather by themselves. Next to each other our souls were plunging into the divine softness, the celestial warmth issued from a profound understanding was surrounding us in a stream of goodness. We were joyfully living the sensation of peace yet being as well aware of the fact that there was no merit of our own

A plecat spre limanul cel lin draga noastra ADRIANA și a luat cu sine toate ipostazele în care sufletul ei nobil și generos a ars viu și neostoit. A plecat Adriana - mamă, Adriana - soție, - Adriana bunică, - Adriana prietenă, Adriana - soroptimista și încă multe alte ipostaze pe care doar Bunul Dumnezeu le cunoaște în întinderea, în valoarea și în virtutea cu care au fost îndeplinite într-o viață de om exemplară.

Adriana iubea mai presus de orice discreția, acea bunăcuviință caracteristică persoanelor de mare stil, care știu că nimic nu ne înalță mai mult decât omenia.

Relația noastră o percepeam ca pe un dar ce venea de dincolo de noi, era o căldură tainică ce nu era ceea ce se înțelege, de obicei, prin prietenie. Viețile noastre se desfășurau paralele, fără să ni le împărtășim și fără să le cunoaștem detaliile. O tăcere pe care, însă, nici una din noi nu o trăia ca pe o sustragere, se putea prelungi pe lungi perioade de timp. Dar era suficient ca Adriana să-mi trimită un semnal - "am nevoie de tine" - ca sufletul meu să răspundă imediat "prezent". Această "nevoie de mine" nu era o nevoie de ajutor concret, era doar o chemare, de a fi "împreună", poate o nevoie de a-și topi în calmul meu fervoarea cu care se implica în dăruire și căreia, singură, nu-i putea pune limite. Nu ne spuneam cuvinte mari. Câteva vorbe simple, esențiale, erau suficiente, soluțiile problemelor veneau de la sine. Alături, sufletele noastre se cufundau în calmul divin, o căldură celestă, izvorâtă dintr-o profundă înțelegere, ne învăluia binefăcător. Trăiam cu bucurie senzația de pace, conștiente fiind că, de fapt, nu aveam nici un merit noi.

involved in that.

Adriana had her own personal style in applying to the whole of her activity her own lifelong beliefs. Once she had planned an activity and had decided upon its coordinates she had to become restless until she had accomplished all of it. Yet many times she was not stopping even there. From an improvement to another one Adriana did make you believe that for her there will ever be no finishing point at all. She was endowed with the gift of gathering around her the exact elements she was in need of. From persons highly different one from another she was able to synthesize a collectivity which quickly did become united and attached to her ideas. The strength of her devotion did never know any limits and this is why she was as well able to determine other people to live intensely too. She always did know how to soften the appeared conflicts, how to make herself listened to, she knew until what exact point her authority could successfully be stated. She did know how to pursue a dream throughout time very tenaciously even if that dream might have seemed to be unreachable for the other people around her. And I have been inspired by all of these achievements.

May you have a relieving journey, our dearest! We do know that your path will be a peaceful one, that all of your efforts will ease your flying towards your eternal inhabiting place. Let this thought be comforting for your family. We do know that you would wish that they should not suffer and they should be comforted. So let me tell them that they should find their comfort in the fact that all of your suffering and all of your achievements have given to you an aura which will never be taken away from you because Our Lord does judge us in His righteousness and in His truthfulness.

Adriana avea stilul ei personal de a aplica în toată activitatea sa crezul ei de viață. Odată ce plănuia o activitate și odată coordonatele fixate, nu mai avea răgaz până ce nu ducea totul la îndeplinire. De multe ori nu se oprea aici. Din perfecționare în perfecționare Adriana te făcea să crezi că nu va cunoaște niciodată punctul terminus. Avea darul de a polariza în jurul ei exact elementele de care avea nevoie. Închega din persoane foarte diferite o colectivitate care devenea repede unitară și atașată ideilor sale. Puterea ei de dăruire nu cunoștea limite și determina și în alții trăiri de mare intensitate. Știa să aplaneze conflictele, să se facă ascultată, știa până unde poate fi împinsă autoritatea. Știa să urmărească în timp, cu multă perseverență, un vis, ce altora putea să le apară ca de nerealizat. Si toate astea m-au inspirat.

Călătorie izbăvitoare, scumpa noastră! Noi știm că drumul tău va fi bun, că toate strădaniile tale îți vor înlesni zborul spre locașul cel de veci. Gândul acesta să fie mângâiere familiei tale. Știm că ai dori să fie consolați, să nu sufere. Le spun să-și afle alinare în faptul că toata suferința ta și toate realizările tale ți-au dat o aură ce nu se va lua de la tine, pentru că Domnul judecă în dreptate și adevăr.

In memoriam

Today, a warm and beautiful autumn day, has reminded me of Adriana. It was by the end of October 1991 at around three o'clock in the afternoon when I have met her at the Schools Inspectorate and we have left together for our homes. Until then we have known each other by sight only. On our way I have told her about the visit of the Danish guests at the School Nr. 21 and about the possibility of founding there a Soroptimistic club. I then have asked her: would she like to be a member of this club? She has shown to that a rather reserved, rational enthusiasm but yet I had brought up her interest. 27 years have passed since then and we have been together on the same wavelength in a way which only rarely has happened to occur to me. Her calm attitude joined with her capacity of understanding and resolving whatever situation have been some valuable assets for the benefit of the Club and of the projects it has carried on which she has permanently supported. She has also applied her distinctive touch in Cluj as well as in the frame of the Union... Her power to adapt herself to and then to adopt whatever was new has indeed brought her many professional satisfactions but a lot of stress as well.

Yet her family has always been her prime priority. She was devoted and wise. For whatever situation she has brought a just solution, a deep understanding and a humorous joy. Many times she was reacting so because of being convinced of the fact that there was hope for every problem to be solved. She had grounded her own optimism upon each of you – husband, children, relatives – with an infinite love till the sky and back...

It does seem that God loves the good people and does call them to Him sooner than we might ever expect Him to. Her LOVE will always be with you.

In memoriam

Ziua de azi, calda si frumoasa de toamna mi-a amintit de Adriana. Era sfarsitul lui octombrie 1991, am intalnit-o la Inspectoratul Scolar spre ora 3 dupa amiaza si am plecat spre casa amandoua. Ne stiam din vedere, pe drum i-am povestit de vizita danezelor la Scoala 21, de posibilitatea infiintarii unui Club Soroptimist. Am intrebat-o daca ar dori sa faca parte din Club, a aratat un entuziasm rezervat, rational, dar i-am starnit interesul. Au trecut 27 de ani de atunci si am fost impreuna pe aceeasi lungime de unda cum rar mi s-a intamplat. Felul ei de a fi calm, cu capacitatea de a intelege si rezolva orice situatie a fost in beneficiul Clubului si al proiectelor derulate pe care le-a sprijinit permanent. Si-a lasat amprenta si la Cluj si in cadrul Uniunii... Puterea ei de adaptare si insusire a tot ce a fost nou i-a adus satisfactii profesionale dar si sollicitare.

Familia era inasa intotdeauna pe primul plan. Devotata si inteleapta a adus bucurie, rezolvare si intelegere pentru orice situatie de multe ori cu umor dar cu incredere ca exista speranta in orice problema. Optimismul ei s-a sprijinit pe fiecare dintre voi – sot, copii, rude cu o dragoste nemarginita pana la cer si inapoi...

Se pare ca Dumnezeu iubeste oamenii buni si ii cheama la el mai repede decat ne asteptam. IUBIREA ei va fi cu voi mereu.

Dear Rares and dear Vlad,

Your grandmother Adriana has been a wonderful person. I have always respected her and I loved her very much. Now I do want you too to find out why.

I have always respected her and I do respect her now because drop by drop she was always truly involving her own soul in the achievement of all of her good intentions; because she has been a hard but discreet worker who has always aimed towards well done and steady grounded achievements; because she has never been giving up when it has come to the achievement of her chosen purposes; because she has always been a correct, rigorous and efficient person; because she was always able to find the right solution for whatever problem might have appeared along; because she was never saying: "it is not possible!" and she was always doing her best to realize the concerned goal (and she did try even when – sometimes – it really could not be done); because she has always been a trustworthy human being upon the shoulder of whom we could always rely and the promises of whom have always been fulfilled with a never broken certitude. As well as for many other reasons.

I have loved her and I do love her now because she was always naturally and deeply able to understand the suffering through which other people were going and she always had known how to comfort them; because she was always thinking about the others first and only afterwards about herself; because she has always been proud of her family and her eyes were shining with tears of joy when she was speaking about you the little ones. As well as for many other reasons.

Your grandmother has been a courageous lady, a really tough fighter who throughout her own lifetime has had to face a lot of difficulties and has overwhelmed almost all of them among which only her illness has ultimately been stronger than her.

You should love her too for all of the wonderful moments she has gifted you with as well as for the ones with which she has had no more time left to gift you with; for the smile with which she was always greeting you in the morning even though she also had to conceal from you the crushing pain that she had to endure in silence; for all of the

Draga Rares, draga Vlad,

Bunica voastra Adriana a fost un om minunat, am respectat-o si am iubit-o mult si vreau sa va spun si voua de ce.

Am respectat-o si o respect si acum pentru ca punea suflet in realizarea tuturor proiectelor sale; pentru ca muncea mult si cu discretie pentru ca lucrurile sa se faca bine si temeinic; pentru ca nu renunta niciodata sa duca la indeplinire ceea ce isi propusese; pentru ca era corecta, riguroasa si eficienta; pentru ca gasea solutii pentru orice problema; pentru ca nu spunea niciodata "nu se poate" si incerca sa se poata (cateodata chiar nu se putea); pentru ca era un om de nadejde si puteai avea incredere in promisiunile ei. Si pentru multe altele.

Am iubit-o si o iubesc si acum pentru ca avea multa intelegere pentru suferintele celorlalti si stia sa le aduca alinare; pentru ca se gandea intai la ceilalti si apoi la ea; pentru ca era mandra de familia sa si i se umezeau ochii de fiecare data cand vorbea despre voi. Si pentru multe altele.

Bunica voastra a fost o femeie curajoasa, o luptatoare adevarata, care a infruntat multe greutati si le-a biruit aproape pe toate. Doar boala a fost mai puternica.

Sa o iubiti pentru toate clipele minunate pe care vi le-a daruit si pentru cele pe care n-a mai avut timpul sa o faca, pentru zambetul cu care va intampina dimineata chiar daca suferinta ei era coplesitoare, pentru toate lucrurile bune pe care le-a lasat in sufletul vostru si pentru tot ceea ce ar fi vrut sa mai faca impreuna cu voi. Si

to look at the beauty of the late autumn. The sun was warming up our souls and a peaceful silence was there, oooh... yes! Such a silence that we could easily hear the falling leaves when they were crushing upon the ground Like last year during this time ... you asked me what I did with my desire to dance ... I did not manage to tell you that, after the disappointment of last year, the budget did not allow me ...

As a matter of fact it had been at the moment of the "beginning of your journey" – it was the day when you underwent the first surgery – that I had wanted to appease my mind and my soul (I did not know what more could I tell you than I had told you before, I did not know how to be near to you when you were so far away) and this was how my journey throughout the world of theatre had as well begun. I had told you that by then...except for my inner reason to do it... During this lapse of a year long there has been a moment when I did meet someone who was indeed Dancing...and there had been two months during which I had begun to be taught how to dance.

It is fantastic to be able to make use of your own body when sometimes the words themselves do become unable to help you, to achieve your addressing towards people this way, to express through your dance your own feelings and emotions, to loosen up your self-control in such a way so that your movements could become by themselves an effective language

While I was thinking about you the dance did transform itself and transformed me as well so that by now the pain of mourning has come to slightly soften and perhaps the rain itself might sometimes help me. It was raining today – both on the outside and inside of me – as it had also been raining during that October day... and as it had been raining two weeks before it...when no matter what I had to do my thoughts were on their way towards you...and my soul was heavily burdened. You had said to me before that we were able to hear each other...

I do see now your smile and your eyes, those shining eyes brightened with love and pride when you were telling me about Rares and Ruxandra and Smaranda and about... all of the young ones whom I did not meet yet. There were moments when I had been associating their names with the precious jewels, with the enchanted precious gems from the fairy tales... Until next time, my dear!

incalzea sufletele si era liniste, ooo..da...o asa liniste ca se auzeau frunzele cand se zdrobeau de pamant. Ca si anul trecut pe timpul asta...m-ai intrebat ce am facut cu dorinta mea de a dansa... Nu apucasem sa ti spun, ca dupa dezamagirea de anul trecut, ca bugetul nu mi permitea...

De fapt, anul trecut o data cu " inceputul calatoriei tale ", in ziua in care tu te-ai operat, sa pot sa imi linistesc mintea si sufletul ( nu stiam ce pot sa ti spun mai mult decat iti spuseseam, nu stiam cum sa-ti fiu aproape, cand tu erai departe ) a inceput si calatoria mea in lumea teatrului. Asta iti spuseseam data trecuta....mai putin motivul... Pe parcursul asta de un an, la un moment dat am intalnit pe cineva care dansa...si au fost 2 luni in care am inceput sa fiu invatata sa dansez.

E fantastic sa poti folosi corpul cand uneori cuvintele nu te ajuta, sa poti vorbi oamenilor asa, sa transpui in dans sentimentele, emotiile, sa nu mai detii controlul si miscarile sa fie limbaj.

Gandindu-ma la tine dansul s-a transformat , m-a transformat si pe mine, iar dorul nu mai doare atat, poate si ploaia ajuta uneori. Azi ploua, si afara si inaustrul meu, asa cum a plouat si in acea zi de octombrie...si cum a plouat si cu doua saptamani inainte de asta....cand indiferent ce faceam , gandul imi fugea la tine...si sufletul imi era greu. Ai zis ca ne auzim...

Iti vad zambetul si ochii, ochii care asa straluceau de drag si mandrie cand povesteai de Rares si Ruxandra si de Smaranda si de.... nu i-am cunoscut inca. Uneori asociaz numele cu pietrele pretioase, cu nestematele din povesti... Pe data viitoare, draga mea!

<p>Thoughts for a soroptimist who left us to light up the sky</p> <p>It is difficult and painful to write about a very dear friend who is no more with us. You do not recognize a special person by his face but by his soul; a good per son, with a wonderful soul, with true moral values, so I perceived Adriana. You have rarely the chance to meet such a friend. She was model to follow be all soroptimists.  She encouraged me through gentle words and I learned a lot of life lessons from her. Her smile gave me sadness every time, and her hugs gave me courage when I wanted to give up the fight!</p> <p>Her encouraging words, warm smiles helped me to move on to the path of soroptimism. There was a special relationship between us. We understood each other from the looks and thought the same way in many ways.  I deeply regret her loss, I felt helpless in her fight with ruthless disease. I wanted God to do a miracle for her, but she chose to keep it for a better world. I often wondered how it is possible for such a noble soul</p>	<p>Gânduri pentru o soroptimistă plecată să lumineze cerul</p> <p>Este greu și dureros să scrii despre o prietenă foarte dragă care acum nu mai este. Un om special nu îl recunoști după chip ci după suflet; un om bun cu suflet minunat, cu adevărate valori morale, așa am perceput-o pe Adriana. O prietenă cum rar îți este dat să întâlnești în viață. Un model demn de urmat noi, soroptimistele.  Mă încuraja prin vorbele blânde având parte de multe lecții de viață din partea ei. Zâmbetul ei îmi alunga tristețea de fiecare dată, iar îmbrățișările ei îmi dădeau curaj atunci când îmi doream să abandonez lupta!  Vorbele ei de încurajare, zâmbetele calde m-au ajutat să merg mai departe pe calea soroptimismului. Exista o relație specială între noi. Ne înțelegem din priviri și gândeam la fel în multe privințe.  Regret enorm pierderea ei, m-am simțit neputincioasă în lupta ei cu boala nemiloasă. Mi-am dorit ca Dumnezeu să facă o minune pentru ea, dar a ales s-o păstreze pentru o lume mai bună. Mă întrebam</p>

<p>to have so much suffering? Why is life sometimes so unfair? Why did God choose her? There are questions that I cannot find an answer to. What is certain and very painful is that I am poorer because I lost a dear friend to my soul. Sunt întrebări la care nu pot să găsesc un răspuns, ceea ce este cert și foarte dureros este faptul că sunt mai săracă pentru că am pierdut o prietenă dragă sufletului meu. Acum nu o mai pot ține de mână, dar o voi purta în suflet mereu, ea a devenit o stea a soroptimismului menită să lumineze cerul.
